HOW TO BE

POPULAR!

Popularity and good character are synonymous. If you acquire one, you have the other.

(a) Charm of manner
(b) Charm of speech
(c) Appearance

(a) Can be acquired by study of other persons.
(b) Can be acquired by practice.
(c) Can be acquired by keeping your clothes neat, clean and well pressed.

Don't say we didn't tell you!

An inquisitive tourist stopped by a farmer who was plowing with his mule. He noticed that the animal stopped every few steps.

Tourist: "What is the matter—your mule sick?"

Farmer: "No, he's the healthiest mule in the state."

Tourist: "Then is your mule balky?"

Farmer: "No, he the most willing mule I've got."

Tourist (scratching his head): "That's funny, what's the matter with him then?"

Farmer: "He's so afraid he might not hear me say 'whoa,' that he stops every once in a while to listen."

* * *

Auntie: "Which one of you ate the grapes I had in the cupboard. No use denying it—I saw the seeds and skins on the floor."

Willie: "It wasn't me, Auntie, 'cause I ate the skins, seeds and all."

"I don't see how you can stand sitting in such a hot office."

"One can't stand sitting in any kind of an office."

* * *

Visitor: "My this is a big skating rink."

Owner: "Yes, it has a seating capacity of 4,000."

* * *

Senior: "I dropped solid geometry."

Sophomore: "Gee, did it make much noise?"

* * *

HARD TO SUIT

"A moth leads a curious life."

"How come?"

"He spends the summer in a fur coat and the winter in a bathing suit."

* * *

"I swallowed a wish-bone yesterday."

"What did you wish?"

"I wish I hadn't."

IN OTHER WORDS

Wise crack—Intelligence crevice.

Dirty work at the cross roads—Unsanitary labor at the intersection.

Something rotten east of Denmark—An article deteriorating on the other side of a Scandinavian country.

Sunkist oranges—Citrus fruit caressed by the luminous body seen in the sky at daytime.

"Pennies from Heaven"—Property of the U. S. Mint descending from the realms above.

"I say," said the English tourist to the Scotchman, "you have a great many hills in this country of yours, Pat."

"Sure, of course," said Pat, "there was so much land we had to put it in heaps."

* * *

An English teacher asked her class to hand in a theme written in the first person. Imagine her extreme astonishment when she received this paper with the title "Adam."

Miss Rigg: Now tell me where the elephants are found.

Lynn Walker: Teacher, the elephant is so large that it is seldom lost.

* * *

I've made a fortune in crooked dough.
Counterfeiting?
No, pretzel weaving.

* * *

Floridian (picking up a California grapefruit): Are these the largest lemons that you can grow out here?

Californian: Please don't pinch that grape while you're holding it.

* * *

Two microbes sat on a pantry shelf,
And spoke in accents pained,
As they watched the milkman filter the milk,
"Our relations are getting strained."

* * *

Miss Abbott: Draw this head so that I can see the details.

Carlyle Brown: You can't see de tails on de head.

"Will you take this woman for butter or for wurst?"

"Oh, liver alone; I never sausage nerve."

* * *

The bright young pupil looked long and thoughtfully at the examination question which read: State the number of tons of coal shipped out of the United States in any given year.

Suddenly his brow cleared and he wrote: "1492—None."

* * *

It was a dark, foggy night in Edinburgh.
There was one man on the street.
He was developing pictures.

* * *

Last night I dreamed I married the most beautiful girl in the world.
How nice, and were we happy?

* * *

"Did ya ever hear the one about the man with the sack full of milk? No? Well, it hasn't leaked out yet."

BOY, 6, DENIES HE'S DEAD—headline in N. Y. Herald-Tribune. Maybe so, but some kids are terrible liars at that age.

* * *

Lady (with a baby in her arms on a P.E. car): A fine gentleman you are, grabbing the only vacant seat on the car!

Doug: I didn't grab it; I beat you to it fair and square!

* * *

Two men were arguing as to which smelled the worse, a tramp or a goat. They agreed to leave it to the Judge.

"All right," said the Judge, "bring in your evidence."

The goat was led in and the judge fainted.

The tramp came in and the goat fainted.

* * *

Mr. Steele: "So, you see, students, we came to the conclusion that nothing is impossible."

Fresh Soph: "Well, I'd like to see you run an umbrella down your throat and open it."

When I sing I get tears in my eyes. What can I do about this?

Stuff cotton in your ears.

* * *

I shot my arrow into the air,
It fell to the earth I know not where.
I lost ten of those things that way.

* * *

Parting advice: Put a little water on the comb.

* * *

Coach Cripe: Time flies!

Ezra Smith: I can't. They go too fast.

* * *

Voice in the dead of night: Wake up; quick, wake up!

Pat Flanagan: Can't.

Voice: Why not?

Pat: Ain't sleepin'.

* * *

"Lady, if you will give us a nickle my little brother will imitate a hen."

"What will he do," asked the lady, "Cackle?"

"Naw, he wouldn't do no cheap imitation like that; he'll eat a woim."

FEATURING GRADUATION GIFTS

WE COULD DO WITHOUT . . .

At Plays

The adoring mother whose son plays the role of "A noise off stage."

The fellow whose girl played the heroine with his rival as the hero.

The lad who never tries out for a part but knows he could have done better.

The hero who forgot his cue.

In The Halls

The person who knocks books out of your hands.

People who walk three or four abreast.

The gentleman who always wants to crack someone on the back.

The freshman who hangs around the seniors.

At The Football Game

The grandstand player who has just fumbled a 40-yard pass.

The timid freshman who spoke out of turn on the locomotive yell.

The sweet young thing who always cheers for the wrong side.

The student who boos at everything.

The wise guy who attempts to explain the game to everyone.

Everything The Sportsman Needs

SAM ROBINSON

Glendale's Only Exclusive Sporting Goods Store

205 So. Brand Do. 9050

Bill Phillips was relating his experience in the classroom.

"There I stood, you birds," the long winded narrator was saying, after droning on for an hour regarding his recent trip to Switzerland, "there I stood, with the abyss yawning before me."

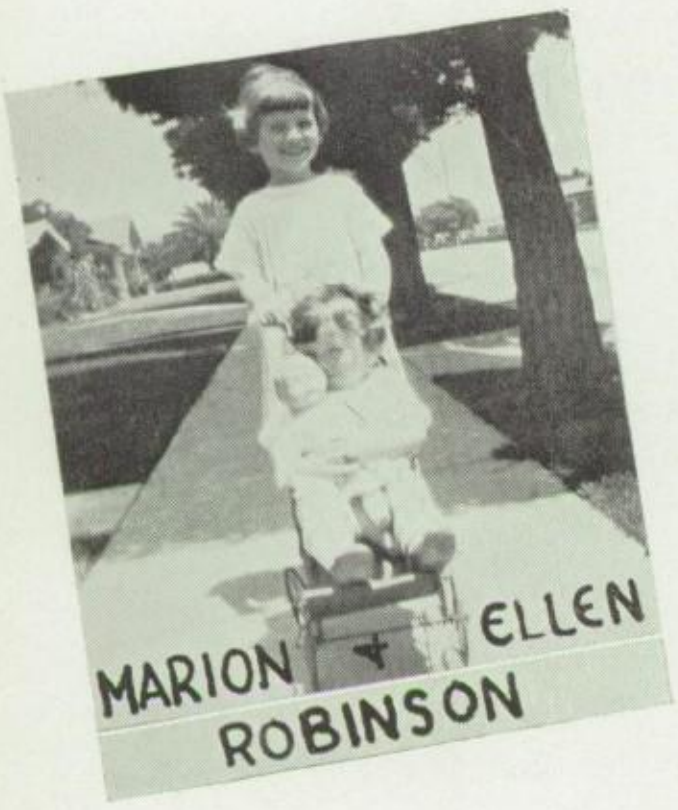
"Excuse me," interjected Lynn Walker, one of the unfortunate students who had been obliged to listen to the story, "but was that abyss yawning before you got there?"

BILL LOOMIS

"Dubby" Clark: Boy, I'm scared! I just got a letter from a guy telling me he'd shoot me if I didn't stay away from his daughter,

Tim Nichols: Well, all you have to do is stay away from his daughter.

"Dub": Yeah, but he didn't sign his name.



MARION ELLEN ROBINSON

Clark Tope: Here comes the parade. Where's Suzanne?

David Tope: She is upstairs waving her hair.

Clark: Goodness, can't we afford a flag?

* * *

Harry Taylor: Going hunting without cartridges in your gun?

"Mac" Broberg: Yes, it's cheaper that way and the result is the same.

SHIRLEY FRAMPTON

Mr. Gorman: Where are you going with all that sandpaper?

Ed Stauffacher: I am taking it to my poor grandfather; he has gooseflesh on his wooden leg.

* * *

Woolsey Knapp: Boy, call me a taxi.

Bill Peterson: All right, you're a taxi, but you really look more like a truck!

Bob Hart: I wouldn't eat your crackers; they tell me the mice are always running over them.

Miss Soper: That isn't so. Why the cat sleeps in the barrel every night.

* * *

Miss Leonard: What three words do pupils use most?

Meran Barsam: I don't know!

Miss Leonard: Correct.

BILL MARSHALL

VIRGINIA McDONALD

Mrs. Green: How would you punctuate this sentence? The wind blew a ten-dollar bill around the corner.

Ward: I'd make a dash after the bill.

* * *

That girl must be awfully sentimental. She was dancing with tears in her eyes.

No. She's just my dancing teacher.

* * *

Miss Elam: Correct this sentence, Girls is naturally better looking than boys.

Bill Salt: Girls is artificially better looking than boys.

R. O. T. C.

The summer of 1937 saw the completion of the second year of the R.O.T.C. at Glendale High. Although the unit was small in numbers, it advanced greatly in instruction and activities. The commanding officer, Major Sexton Berg, P.M.S.T., was assisted until April by the beloved Sergeant Hugo Quade who was forced to leave because of his health.

The unit during the year participated in several civic functions including the Armistice Day parade, the Memorial Day celebration, and the corner-stone laying at the new Junior College. The annual Federal inspection on May 12 was the peak of activities and terminated a year's hard drill. The unit was reviewed by the student body at the time of the Government's inspector, Major D. R. Norris' visit.

A highlight in the functions of the battalion was the Annual Military Ball held at the G.H.S. girls' gym with Hoover High. The dance was an excellent success and stood high in the best dances ever given in the gym.

Along with the great progress made by the five-man and the fifteen-man rifle teams, a new phase of activity entered with the Spring. The officers formed a Sponsors' oragnization with the girls of the school, and each officer was sponsored by a girl holding the honorary position that her officer did. This proved a fine success.

With the advent of third year work next year, the unit looks forward to an honor rating and a profitable future.

GIRLS' SPORTS

Marching through one of the most successful years of girls' sports, the Girls' Athletic Association was led by Helen Hairgrove, winter president, and Meredith Peters, summer president. This well-known girls' organization, commonly known as the G.A.A., participated in many dual and color play-days. Among the high schools with which they had dual meets were the cross-town rivals, Hoover and Burbank, while a large color meet was held at Long Beach Polytechnic High School.

At the beginning of a color play-day all the girls are given pieces of different colored ribbons. Participants holding the same color ribbon play together.

This year the G.A.A. has held one play-night a week, on Wednesday, and an executive meeting of the club has been held on every fourth Wednesday. In addition to the two hundred girls who are signed up for the sixth period girls' gym class, there are more than one hundred and fifty associate girls who are active on Wednesday night. These girls receive points for their daily gym class along with those gained after school. With these associate girls the membership reached a total of three hundred and fifty girls, the largest club in the school.

Sports in which the members have participated have been volleyball, basketball, tennis, speedball, hockey, badminton, baseball, and several minor sports. There are twenty girls on each team, and they have their choice of which sport they wish to play.

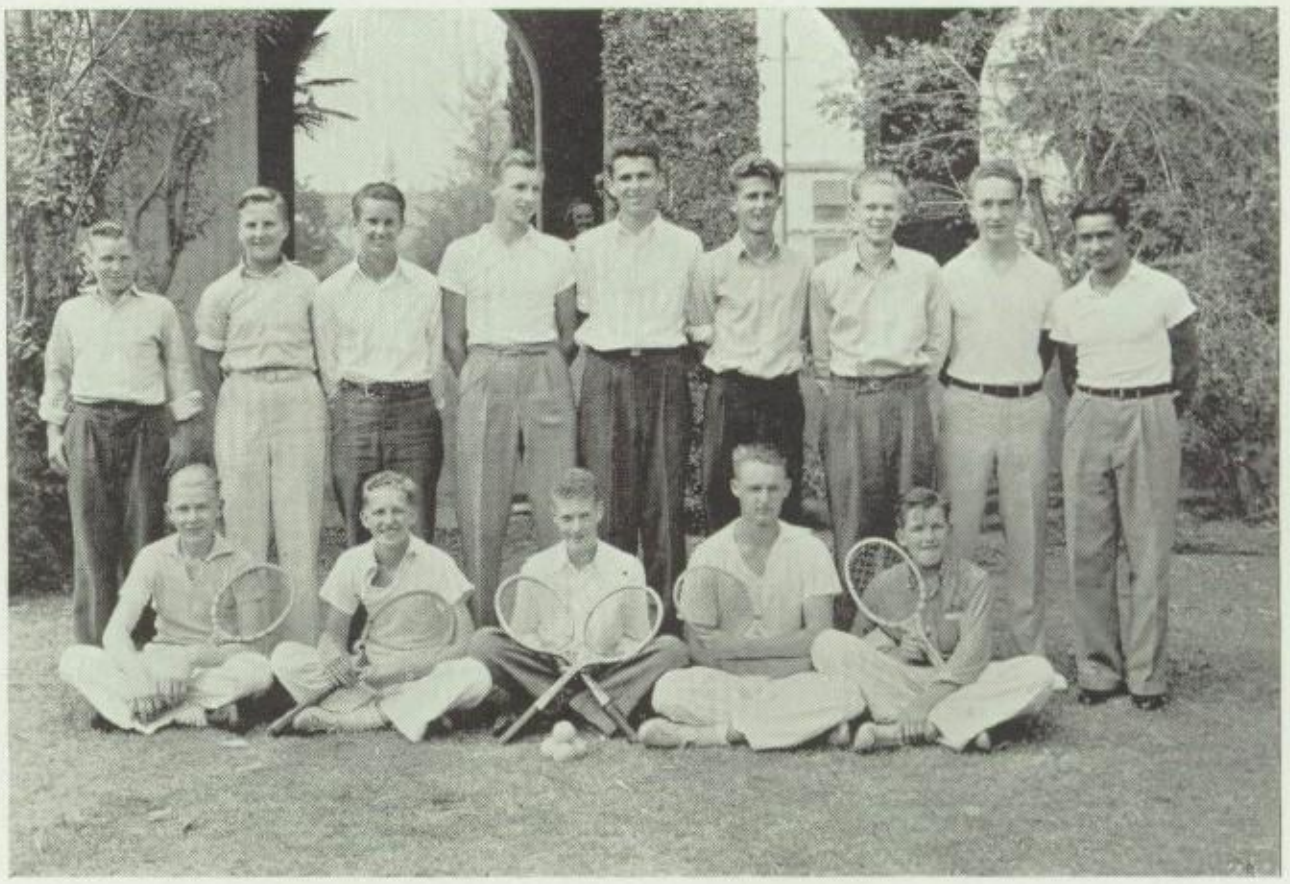
Two banquets were given by the club, one on January 20, and the other on June 3. The very colorful themes were Hawaii and the County Fair, respectively. Feature of each dinner was the introduction of the new officers and board members.

Looking forward to another big year, the G.A.A. has banded together under a new president and are striving to win all their play-days.

GOLF

Glendale High School's golf team under the competent coaching of E. Milford Brunner won the city golf championship and, by defeating all league opponents in the first round of play, showed that they are the tentative Foothill League Champions.

Glendale won all the matches with league opponents in the first round, defeating Whittier, South Pasadena, Muir Tech, and Fullerton.



TENNIS

At the time this copy goes to press, Glendale High's tennis team is well on its way to the Foothill league crown. Under the excellent instruction of Mr. Gulick and Mr. Phil Castlen, the team has left a blazing trail of league wins in their wake that spell out a likely chance that Glendale High will go places in the C. I. F.

BASEBALL

Glendale High's baseball team, under the direction of Coach George Sperry, won seven out of a possible twelve games.

In the first league battle of the year Glendale nosed out a 3-2 victory over the Fullerton Indians. Later in the year they again downed the Indians by a decisive 4-0 score.

The Dynamiters eked out close wins over South Pasadena in both games by scores of 3-2 and 5-4 respectively.

Whittier High enjoyed their encounters with the Glendale nine by annexing both of the games by 7-6 and 4-1 scores. The first game required overtime playing before the Cards could beat the Sperrymen, but found little trouble in subduing Glendale in the second tussle.

Glendale just did beat the Covina Colts 2-1, but was an easy victim to the Colts' wrath in the return engagement, Covina swamping the home-plate with runs to win 9-4.

The Hoover High Tornadoes, which were selected to play in the C.I.F. after winning the Foothill league crown, defeated Glendale 7-6 in the first encounter. The Tornadoes shoved a run across the plate in the last inning to break up a 6-6 tie. The second game caught the Dynamiters off form, Hoover tucking away a stinging 6-0 victory.

The Muir Tech Terriers walloped the Dynamiters in their first engagement by hammering out a brilliant 12-6 win. Glendale closed the season by bowing to the Terriers, 7-4, and another baseball year had passed by with Glendale still hoping for a championship in the future.

CEE TRACK

The Cee trackmen under the guidance of Coach Cripe defeated all league opponents this year and won the Foothill League Championship for the second consecutive year.

In the first league clash of the year with the Fullerton Indians, the Nitro atomweights trounced the Redskin Cees by a score of 53½-24½. Glendale nabbed all first places except in the 660 and the shot put.

In the second league encounter with South Pasadena, the Glendale Cees tamed the Tigers by winning 64-12. In this meet the Dynamiters won all the first places with the exception of the shot put.

The next meet with the Whittier Cards proved to be one of the closest of the year, but the Nitro Cees came out on the long end of a 42 2/3-34 1/3 score. In this meet the Cees were beaten for the first and only time of the year in the relay. The Whittier quartet won the event in the excellent time of 48.3 seconds.

Fighting against odds and a supposedly superior team, but coming through under pressure, the Glendale Cees reduced the Hoover Tornadoes to a mere gust of wind by trouncing them on their home grounds 45-32 in the annual city championship trackfest.

The Covina Cees gave the Nitros a fight in the next meet at the Colts' field, but the Glendale squad eked out the closest victory of the year by winning the relay and thereby cinching the meet 42-35.

Glendale clinched the Foothill dual meet championship by adding this victory to their list, for in the last league meet of the year the Blasters easily subdued the Muir Tech Terriers by a score of 53-23.

In the Foothill League Finals held at Whittier the Cees annexed the Championship by scoring 28 points to their nearest opponents' 18.

BEE TRACK

Glendale High's Bee track team sailed through a successful season, until they met a Cyclone in the form of Hoover High and were thrown off the road to the Foothill league crown by virtue of a close defeat. However, the Blasters defeated every other team in the league by decisive scores and climaxed the season in the runner-up position.

The Blasters initiated the league season by trouncing the Fullerton Indians 82-13. The local lads made five clean sweeps in the 220, 660, 70-yard high hurdles, high jump, and broad jump. The Indians had to be content with one first place.

The South Pasadena Tigers were the next to come under the spell of the powerful Blasters and were given a sound 74½-15½ licking. Glendale enjoyed a spirited day on the field, and failed to allow the Tigers to take one first place.

The Whittier High Cardinals got themselves into the red next week with Glendale saturating the Whittier tracksters with the Red and Black colors and winning the meet 78 2/3-16 1/3. Glendale showed amazing strength, taking nine places, six second spots, and eight third places.

Glendale's largest jolt of the season came when the Hoover Cyclones blew the Blasters all over the track to win the encounter by a close 51-43 tally. The fray was predicted as a toss-up and Glendale lost to a better outfit. Hoover went on to win the Foothill league championship having finished the season with no defeats.

The Blasters made short work of the Covina Colts next week, with a 74-21 triumph. The Citrus city boys were no match for Glendale, the Blasters taking six first places and making clean sweeps in the high hurdles, the pole vault, and the relay.

Glendale's final league opponent, Muir Tech, was given too severe competition by the Blasters, and was forced to admit defeat to the tune of a 61-43 score.

VARSITY TRACK

Glendale High's varsity trackmen under the care of Coach Cripe won the Foothill league title for the second straight time since entering the league in 1936. With the exception of Muir Tech, the Dynamiters piled up top heavy scores on all of their opponents.

On March 2nd, Glendale easily disposed of their initial league competitor, Fullerton High, with a 91-22 victory. The Dynamiters won first places in every event except the broad jump, and made clean sweeps in the 220, 440, mile, shot put, and 220 low hurdles.

A muddy field was the setting for Glendale High's second league victory. South Pasadena proving to be the unlucky competitor by dropping a 89½-24½ decision.

The Dynamiters continued their glorious march to the league crown by walloping the Whittier Cards 97-16. Glendale won all of the first places and made grand sweeps in the 100, 880, mile, relay, and shot put.

Glendale's fourth opponent, Hoover High, was given a thorough 76-37 beating with the Dynamiters copping the city championship as well as a league victory. Glendale made clean sweeps in the 220 low hurdles, and the hop-skip-jump. Glendale also broke the city records in the pole vault and the 440 yard run.

Glendale polished off the Covina Colts 93-20 in an uneven meet. Covina was only able to cop two first places.

Glendale met Muir Tech to decide the Foothill League victor and nipped the Terriers 61-51 in a wild and woolly track meet that saw Glendale forge out ahead at first and Muir Tech come back later nearly to even the count. Glendale's brilliant showing in taking nine first places cinched the affair.

In a dual meet held at Whittier High, Glendale placed first with Muir Tech in the runner up position. Hoover, Whittier, South Pasadena, Fullerton, and Covina, also competed.

CLASS C BASKETBALL

Under the capable supervision of Coach DeMandel, Glendale High's nifty little Cee basketball team captured the 1937 Foothill League title. Had there been C. I. F. playoffs, Glendale would have stood a very good chance of moving into a southern California championship.

Out of 24 games played for the entire season, the Nitros dropped two games. Once in league competition and the other in a practice encounter. Unlike the A and B divisions, the Cees only played each league team once.

Glendale started the league season off with a bang when they spanked the Fullerton Papooses 30-9 in a one-sided battle.

The South Pasadena Kittens gave the proud Glendale lads a severe bump next week, when they defeated the local boys 13-11 in a whirlwind finish.

The Nitro midgets came back to life to wallop their third competitor, Whittier High, 35-19. The score was tied at the half time, but the last period proved to be the Cards' defeat with Glendale hitting the basket consistently to win the setto.

Glendale's fourth opponent, Hoover High, was easily beaten by a 22-16 tally. The Hoover lads failed to take the lead at any one time of the game.

The Nitros took a partial breather when they met Covina and thumped the smudge-pot boys 17-8 in a lop-sided fray.

Glendale's final encounter with Muir Tech decided the Foothill league victor. Glendale led 6-3 at the end of the first quarter and thereafter steadily climbed ahead to win the game by a safe 33-19 margin.

With practically all of the present Cee team moving into the Bee division next year, prospects look very bright for a successful season in that respective class. By the looks of things, Coach DeMandel will have to start from scratch again, but with his excellent ability in coaching basketball, Glendale High may look forward to a good Cee team in 1938.

BEE BASKETBALL

Glendale High School's Bee Basketball squad played a very unsuccessful schedule of games this year, winning but two encounters out of a possible twelve, and finishing in next to last place in the Foothill League Standings.

In their first league game of the year they were narrowly beaten by the Fullerton Indians 20-17. The Redskins repeated their victory in the second game played later in the year by defeating the Nitro Babes 14-12.

The Blasters were ripped and torn to bits by the South Pasadena Tigers in the second league trussle by the score of 36-17. The South Pasadena Bees emerged victorious in the second game played with the Dynamen, winning 43-25.

The Whittier Cards trounced the Bees by the most one-sided score of the year in the first of their two series of games by the score of 50-24. The Dynamiters made a better showing, however, in the second game but still came out on the short end of a 38-29 score.

In the first of the annual cross-city games played with Hoover the Nitro's entered the tussle on the short end of 100-1 odds, but put up a splendid fight and upset the dope by emerging victorious 20-14. In the rematch the Tornadoes defeated Glendale by the close score of 26-22.

The Muir Tech Terriers defeated the Bees in both the games played with them by scores of 43-25 and 44-19 respectively.

Covina won the first game with the Blasters by the narrow margin of three points, 27-24. The Glendale squad closed the season by overwhelming the Colts 41-11. In this game a Bee who had played varsity all year was the big gun in the Dynamiter attack, scoring 25 points.

Hope we'll see
more of you next
year at D. C.
Kingman

VARSITY BASKETBALL

Although Glendale High's 1937 basketball team failed to nab the Foothill league crown, they put up a great fight, finishing in a three-way tie for second place.

Whittier High may not have made much of a showing at football, but their basketball team was a championship outfit, for the lanky Cards easily glided to the league crown winning all of their encounters with comparative ease. Whittier also advanced into the C. I. F. finals only to lose the Southern California crown to Tustin High in a rip-roaring contest.

Coach Abe Elliott started the season with two Nitro lettermen back in the lineup and around this duet, he moulded a smooth clicking alternating two-team aggregation that had a fair defense and a good offense.

With the schedule calling for a two-game appearance with each team in the league, Glendale managed to win eight out of twelve games to break even with Hoover and Muir Tech for the runner up position.

Glendale smacked the Fullerton Indians down for a 34-21 count in their opening league meet. As both teams were rather "green," the tussle turned out to be a somewhat dull affair.

The South Pasadena Tigers were next on the drawing card and they fell deep into the Dynamiters' clutches, Glendale swamping the Tigers by a 28-16 score. The Nitromen led at the end of the first quarter 7-0 and continued to hold a safe lead throughout the rest of the fray.

The Dynamiters' hopes for a successful season were toppled in a heap, when they met Whittier High next week in a real casaba thriller. At the end of the third period the score was tied 18 all, but after that the Cards put on a scoring spree that left the Dynamiters hanging from the rafters and on the short end of a 33-21 score.

In the best playet setto of the season, the Nitros managed to subdue the Hoover Tornadoes 29-23. The game was tied 21-21 in the last few minutes of play and Glendale capitalized on those final moments to defeat the Branch.

Glendale was given a short rest period when their next opponent, Covina, forfeited the meet.

The Muir Tech Terriers had a rollicking good time defeating the Dynamiters by an undisputed 35-25 win next week. Glendale failed to play anything in way of brilliant basketball.

The Nitros' second semester team opened up the second half of the season by again tripping up the Fullerton Indians 33-15.

A last moment "big drive" enabled Glendale to turn back the South Pasadena Tigers 37-28 after the score had changed hands several times in the last half.

Again the Dynamiters were no match for the powerful Whittier Cards and were pinned down under a heavy 41-27 score.

Glendale had the tables turned on them when the determined Hooverites won their return engagement 32-24 in a game that was very even until the last half when the Nitro defense crumbled and the Tornadoes swept ahead to cinch the encounter.

The Covina Colts were victims of a merciless slaughter in which Glendale gaily participated, walking off with a 46-13 victory.

In one of the worst defeats of the entire season, the Dynamiters blew the Muir Tech Terriers sky high to avenge their earlier beating suffered at the hands of the Terriers. The Nitros were leading 44-17 at the end of the third quarter and finally finished with a rosy 52-28 win to their credit.

BEE FOOTBALL

Again one of Coach George Sperry's "wonder teams" was produced for the 1936 football season. With their mighty pigskin banner raised high into a championship wind, the Blasters emerged from the season with neither a defeat nor a tie to their record and the Foothill league crown. A final meet with the Burbank lightweights, winners of the San Gabriel League title, ended with Glendale on the winning end of the score.

Unfortunately the C. I. F. was dropped so the Blasters were unable to duplicate last year's performance, when they beat Montebello for the southern California championship. The Sperrymen have a very outstanding record for the past three years, winning the last 25 out of 26 games played. robably there are very few, if any, teams in the country that have ever been able to make such a brilliant showing.

A sustained drive of 57 yards in the third quarter gave the Blasters a 7-0 victory over Alhambra High in a practice game early in the season.

The South Pasadena Cats were the next victims to face the wrath of the fast-stepping Blasters and were finally subdued, Glendale winning 19-12.

In one of the best played games of the year, Glendale just did shade the Whittier lightweights 6-2, after capitalizing on a neat aerial attack.

Although the statistics were practically the same, the Blasters won their fifth straight game of the season by trouncing the Covina Colts 19-2.

Moyse field was the spot shosen for the Hoover-Glendale fued. A victory not only meant that the Bee city championship was the reward, but the winner of the game would automatically become the Foothill League victor. Although outplayed in nearly every department of the game, Glendale won the fray 7-0 after a giant battle for supremacy.

A rather surprisingly powerful Muir Tech squad made Glendale's last league game a tough one, but true to form they came through to defeat the Terrier pups 13-0.

Just to top off the football season in the right manner, Glendale chose the strong Burbank Bulldogs as their final opponent. The Bulldogs led at the half-time 6-0, Glendale evened the count in the third period, and a terrific passing attack by the Blasters in the final moments of the encounter netted them a touchdown, and the game ended with Glendale on top with a 13-6 score.

Considering the record that Coach Sperry has set down in Glendale High football history, the student body pays honor to a noteworthy football mentor and the excellent teams that have developed under his care.

The Nitros took on the Covina Colts in their fourth league encounter, and with every available man on the Glendale squad adding his bit, managed to whip the Colts 26-0 in a lop-sided contest.

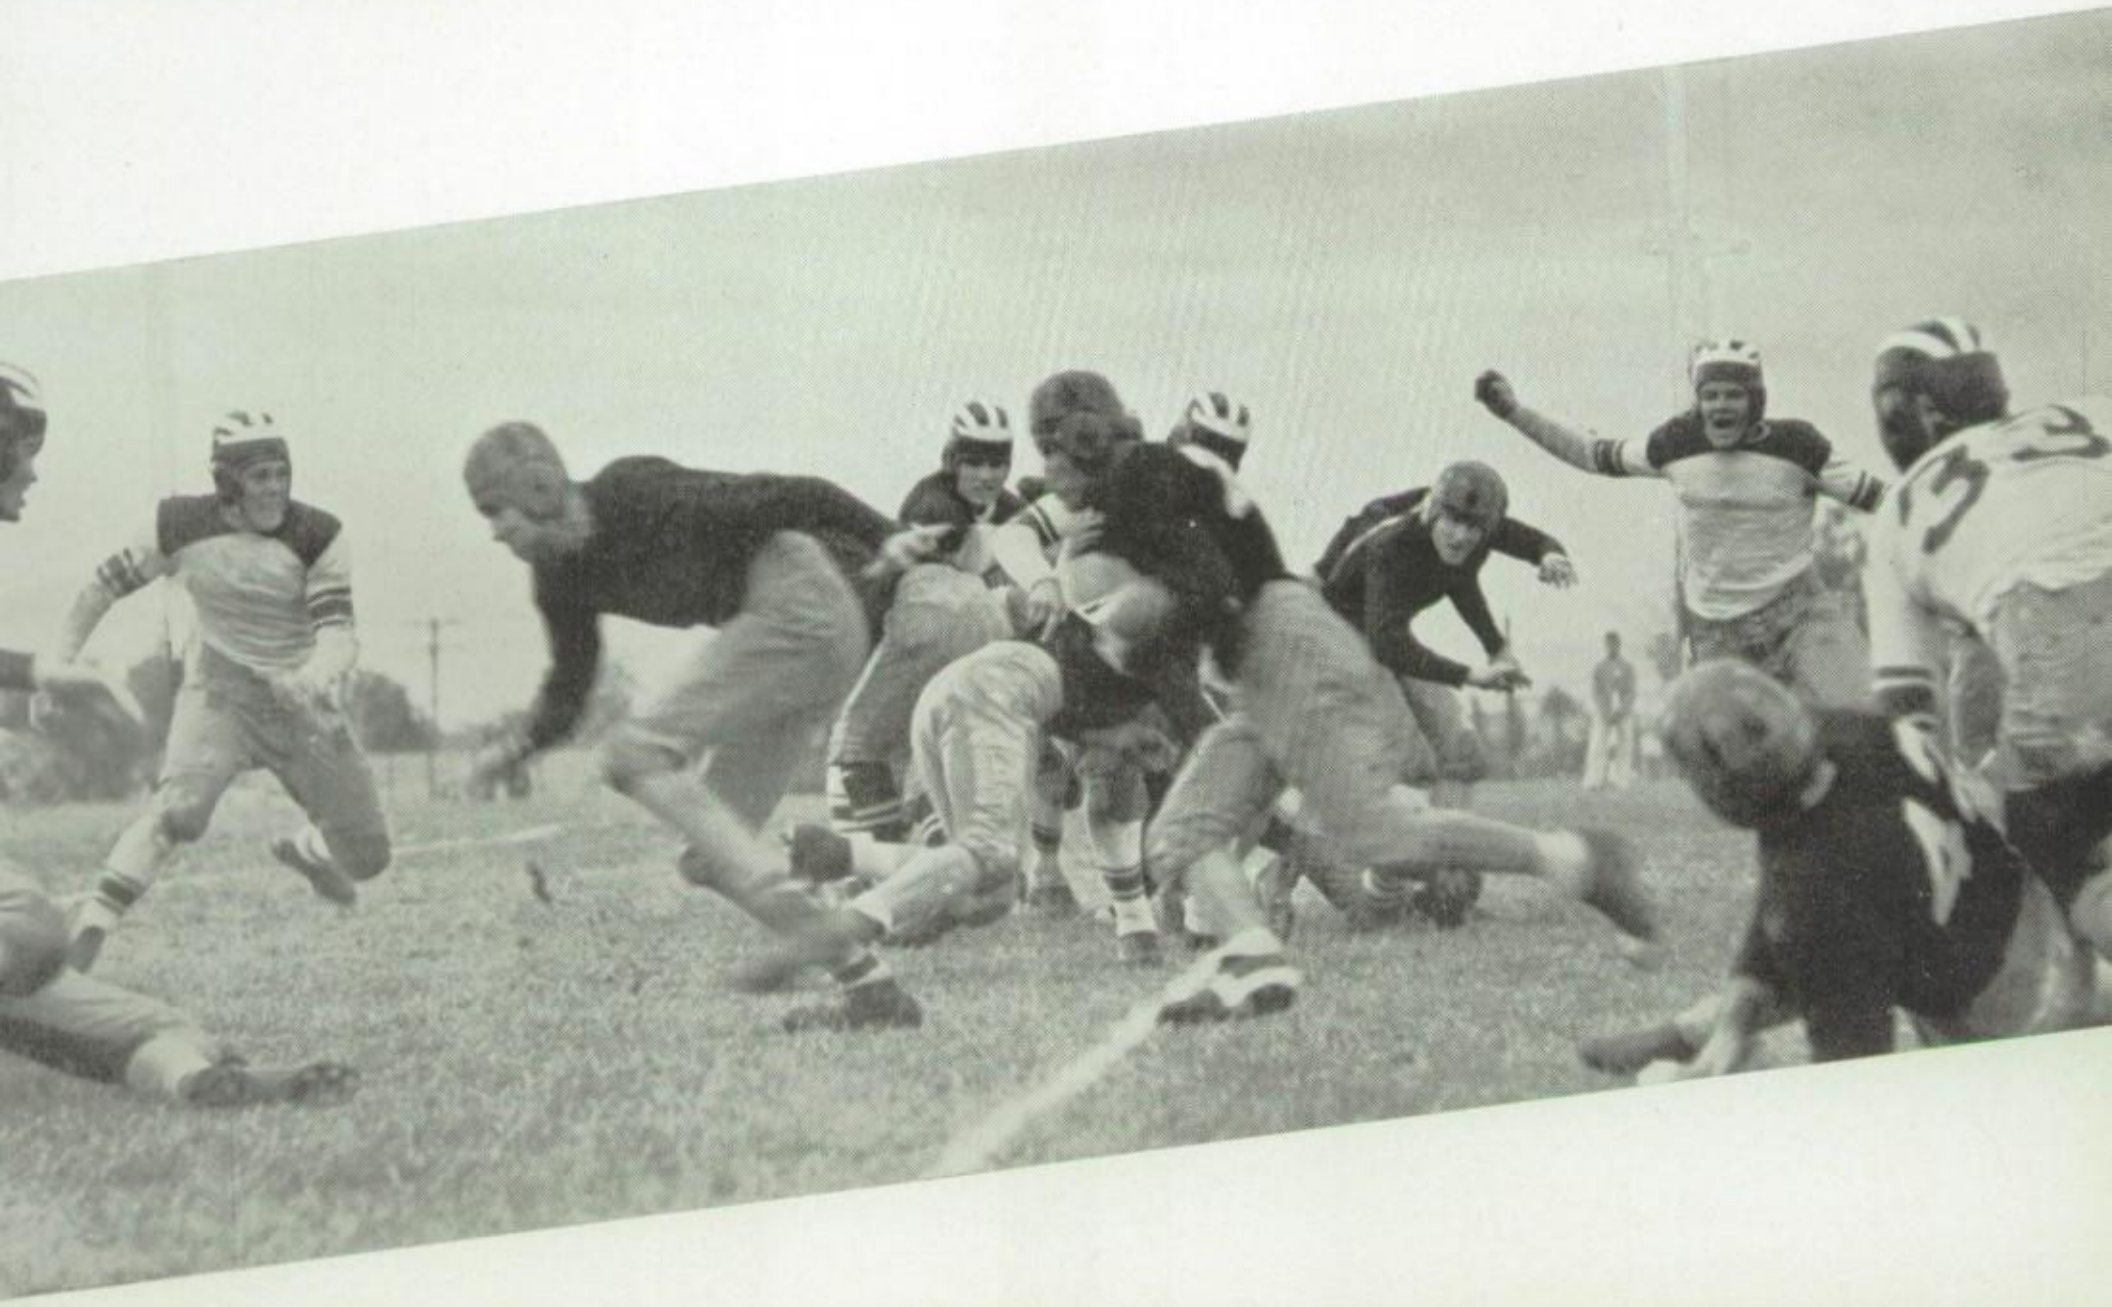
Next on the bill was Glendale High's traditional city enemy, the Hoover Tornadoes. At that time, the Dynamiters stood off with the Tornadoes at three games all—competition having started back in 1931. Not only did the game mean a league advancement to Glendale, but the city championship was at stake. The result was astounding. The Nitros assembled the largest score ever made by either of the two teams before, making a total of 40 points to Hoover's nothing.

Glendale's last obstacle to the league crown was the Muir Tech Terriers from Pasadena. Muir Tech was rated very strong to defeat the Dynamiters and were heading the league with a half a game advantage. Glendale won the game 20-0, scoring three touchdowns on intercepted passes.

Although outweighed 20 pounds per man and an all-southern California fullback to stop, Glendale managed to beat the Redondo Seahawks 6-0 in a nip and tuck game marred occasionally by serious fumbles.

The Pasadena Rose Bowl was the setting for 15,000 fans to watch the Glendale-Long Beach C. I. F. final, and the Jackrabbits aided by several all-southern California players and a 28-pound weight advantage toppled the Red and Black Tide 21-0. Had it not been for Glendale's excellent tackling the score might have been much worse.

With the exception of one player, the entire first string had played their last game for the alma mater. Glendale High salutes you, football players and Coach Eddie Kienholz!



VARSITY FOOTBALL

Breaking a jinx that has been with Glendale High varsity football teams for eleven long years, Coach Eddie Kienholz's charges came through the 1936 season in great style to win the Foothill League championship and, after beating Redondo Beach in a C. I. F. semi-final meet, advanced into the southern California finals with Long Beach Poly only to lose for their first time and last game of the season to the beach city lads.

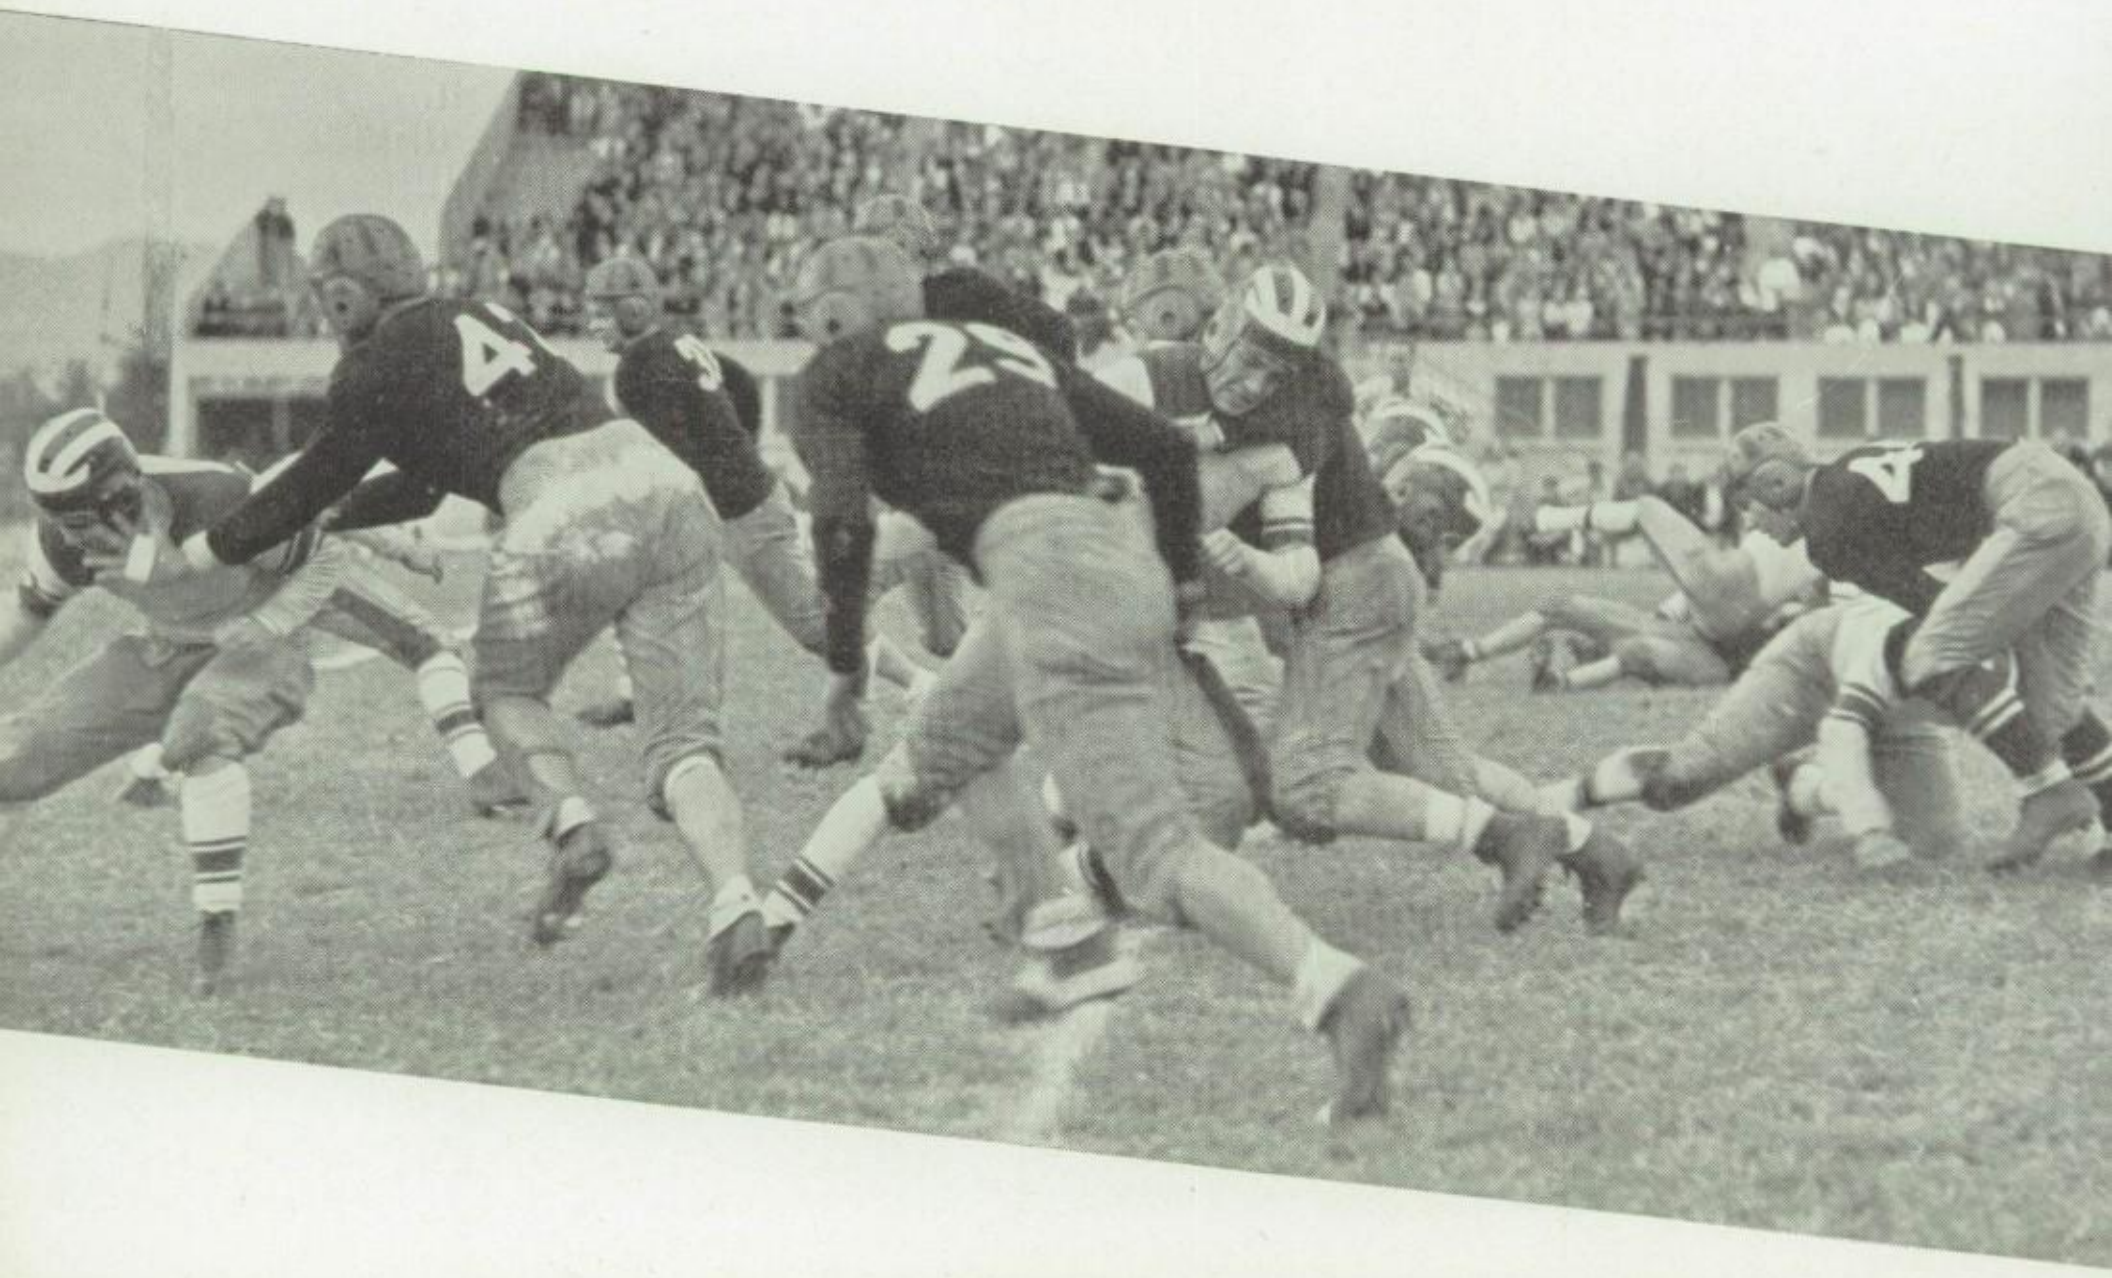
The Dynamiters had one of the most impressive scoring records in the history of the school, being unscored upon in league competition and rolling up a total of 163 points to their opponents' mere 27.

Glendale met Alhambra High in an opening night practice encounter and eked out a 7-6 win over the Moors in a game brimming over with thrills. The Dynamiters then took on their first league opponent, Fullerton High, and scalped the Indians by a decisive 27-0 score.

This victory looked as if Glendale were going to have a very rosy, if not successful season, but when they met a rather weak South Pasadena team next week, they just did keep out of reach of the Tiger's claws and were glad to hold them at bay with a scoreless tie.

Whittier High, which was then leading the league with two straight wins, came to grips with the Dynamiters, but was no match for a determined Glendale eleven that was clicking like clockwork; and the Whittier team came out on the short end of a 19-0 score.

Leaving the league for a short spell, the Dynamiters met Cathedral High in a grid brawl that was teeming with penalties and the game finally ended with Glendale on top with an 18-0 score.

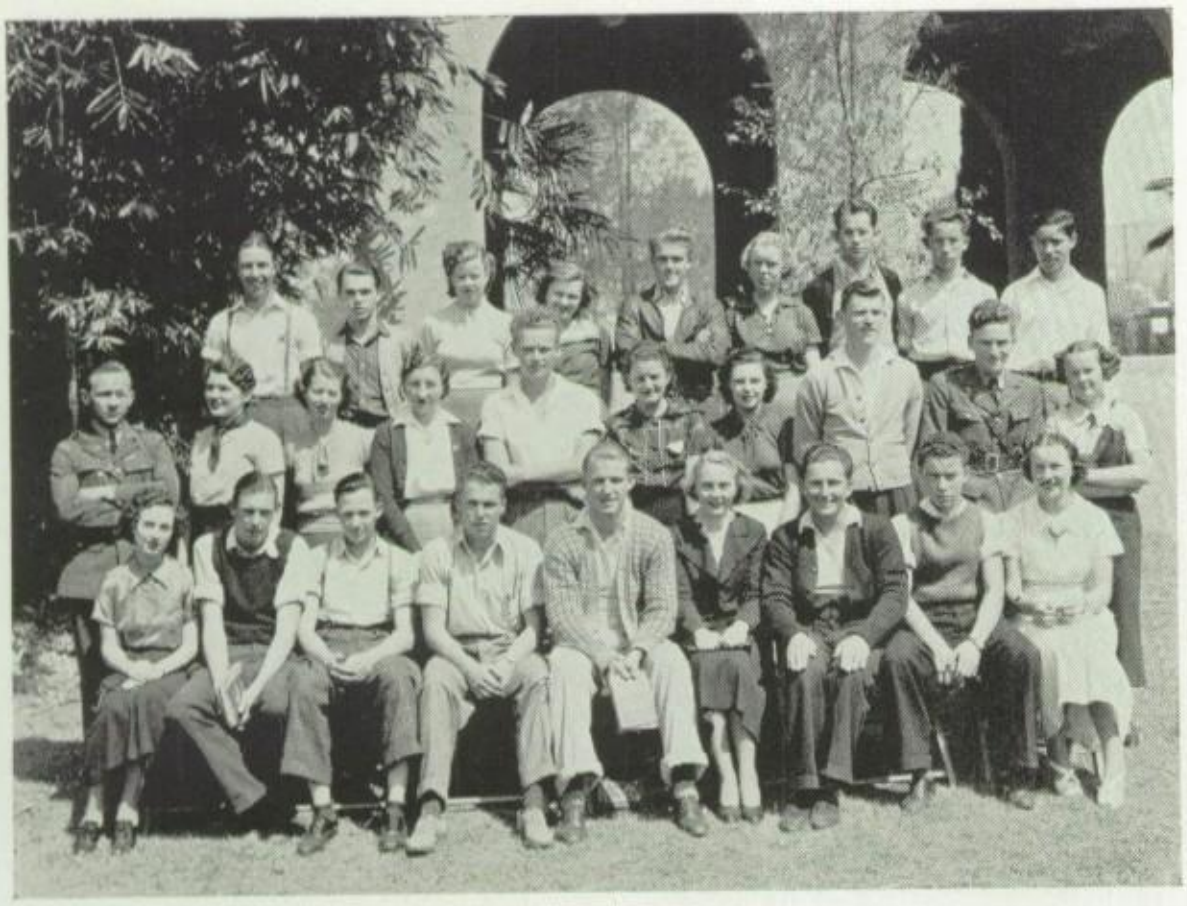


YELL LEADERS AND SONG LEADERS

Cheering us on to victory in many athletic events this year were James "Pinhead" Wilson and George Hood as yell leaders, and Irene Althoff, assisted by Rosemary Bowman and Bertha York, as song leaders.

With the increase in spirit shown by the Student Body at large the pep of this group of leaders must have been contagious. Without their untiring help, our athletic teams would have found it hard to march down the field to victory, but whether in victory or in defeat they backed the team with full force. It's our turn now —to give three cheers in appreciation for this group's fine work!

BOOK FOUR
THE ATHLETICS...



STYLUS SALE WINNERS

Cooperation on the *Stylus* sale was given by second period classes in which the salesmen operated. Outstanding among the second period classes in pushing the 1937 yearbook were Miss Ahl's and Miss Leonard's second period Civics classes.

After the announcement was made that the first class to subscribe one hundred per cent would have its photograph in the annual, a race was on between Leonard Klapper and Ray Schreck, class salesmen.

As the two representatives completed their sales at practically the same time on the same day, and arrived at the *Stylus* office with their final reports almost together, pictures of both classes are included .

STUDENT BOOKSTORE

The student body maintains a Student Bookstore for the convenience of the students and teachers. The bookstore is virtually on a non-profit basis, and for that reason, a good saving is passed on to the students. Only the highest quality of goods is handled—the bookstore does not try to compete with any of the cheaper chain stores. Everything that may be needed by the students in their different classes is handled at the request of the heads of the different departments.

The bookstore is managed by Mrs. L. G. Bullock, the student body accountant, who hires two boy students to act as sales manager and assistant clerk. The boys are chosen from a list of recommended students, and usually remain with the store until graduation. Their work gives them an intimate knowledge of stock, cost and selling prices, arrangement of a bookstore, handling cash accurately, and greeting purchasers in such a manner as to make it a pleasant transaction for the students to do business with their own store.

MONTHLY DANCES

The monthly dances this year were made very enjoyable by the seventeen-piece dance orchestra of the Federal Music Project. The program for the dances were arranged by the heads of the dance committee under Ward Lundberg. Doug Clarke was the ex-officio member and Eugene Wolfe as Administrator Adviser.

Social Committee - - -	Phyllis Frame
Music - - - - -	Roy Adamson
Floor - - - - - -	Rex Badley

BACKWARDS DANCE

The second backwards affair held in Glendale High was the Backwards Dance on November 7, 1936, in the girls' gymnasium. Bill Wood's orchestra furnished the music for the evening. Refreshments were served, and all in all it was a most successful affair. The dance was arranged by the Monthly Dance committee.

CABINET PARTY

The annual Glendale-Hoover Cabinet Party, held on November 14, was given by Hoover this year. The two cabinets dined at the Farm House and enjoyed a theatre party afterward at the Alexander Theatre in Glendale.

JUNIOR PROM

"May Day Coronation" as the theme set the scene for a colorful and gay Junior Prom on the evening of May 1st in the girls' gym.

Elaborate decorations transformed the gym into a festival of blossoms and balloons which adorned the walls and surrounded the throne of the May Queen. A huge sunflower hung from the ceiling and spread its yellow petals to all corners of the gym.

Jeanne Atcheson was chosen and crowned as Prom Queen. Her attendants, Margaret Adams, Margorie Proctor, Peggy Jane Cross, Kathryn Byram, Barbara Van Luven, and Marion Burton escorted her to the throne, where she was presented the crown by Frank Clark, Junior class president.

Winners of the prize fox-trot were Virginia Bogart and Frank Clark, who were each given a golden cup.

Don Ricardo and his swing orchestra furnished music for the "May Day" festival.

Those responsible for one of the most successful Proms Glendale has ever enjoyed were:

Music: Jay Perrin, chairman, Breck Chenoweth, Meran Barsam, Albert Licht, Jess Watson, Dot Mactoff, Lorraine McIntyre.

Cup Committee: Kathryn Byram, chairman, Virginia Bogart, Marjorie Proctor.

Floor: Louis Maas, chairman, Bob Hart.

Refreshments: Lonelle Erickson, chairman, Alice Beetle, June Churchill.

Check Room: Bill Curry, chairman, Richard Howe.

Advertising: Harvey Powelson, chairman, Kenneth Erlandson, Frank Albert, Patrick Bowers, Jacqueline Lutton, James Muller, Hal Kauffman, Hilton Anderberg.

Tickets: Al Wilson, Doug Kilgour, Bill Keith.

Decorations: Imogene Hunt, Suzzane Wootton, Peggy Lawhead, Al Wilson, Bill Harris, James Muller.

SENIOR PROM

The annual Senior Prom was held on December 12, in the girls' gym.

Jimmy Bittick's orchestra supplied the music for the evening.

Winter Wonderland with its Arctic setting of polar bears, penguins and icebergs adorned the walls of the gym. Two snow-clad Christmas trees stood in front of the windows at each end of the floor, adding true Christmas spirit to such a wintry but welcome affair.

Chairmen of Committees

Music	Richard Marine
Refreshments	Sue Stillman
Floor	Bill Dewey
Decorations	Berk McCollum
Tickets and Programs	Junior Paola

GIRLS' STUNT PARTY COMMITTEE

BOYS' STAG PARTY

Fathers and sons were everywhere in evidence on November 6, in the Boys' Gym, for the occasion was the annual Boys' Stag Party.

First on the program was a thrilling practice basketball game in the gymnasium between the Dynamiters' Varsity team and a snappy team from another league.

This over, the audience was told to go to the auditorium, where the remainder of the excellent program was presented.

Headed by Art Mose, gymnastics instructor at the Y.M.C.A., two husky lads gave an amazing exhibition of agility and strength on the parallel and horizontal bars.

Chief James E. Davis, of the Los Angeles Police Department, then presented his crack pistol team, and the audience gasped at their feats of accuracy and coordination.

Well satisfied, the audience then quitted the auditorium and moved to the lunch stand, where they received a substantial lunch, thus completing an enjoyable evening.

dressed in an exaggerated fan-dancer's costume, was awarded the costume prize. Judy Munson and Betty Carson won the prize fox trot.

A grand march of all those attending followed—displaying the many clever costumes, among which were costumes representing foreign countries, current fads, and other amusing ideas.

Guests of the evening were the Girls' League President from Hoover High School, Marjorie Brown, and her Cabinet.

Giving much time and hard work to make the Stunt Party a success were the committee chairmen and their advisers as follows:

Chairmen		*Advisers*
	MUSIC	
Patty Caddell		Mrs. Goldsmith
	REFRESHMENTS	
Helen Hairgrove		Miss Farnsworth
	TICKETS	
Ruth McClellan		Mrs. Howton
	PRIZES

	SENIOR STUNT	
Rosemary Kauffman		Miss Abel
	JUNIOR STUNT	
Jeanne Franklin		Miss Elam
	SOPHOMORE STUNT	
Harriett Padgett		Mrs. MacDonald
	DECORATION	
		Miss Hall

GIRLS' STUNT PARTY

Coming as a Halloween event, the annual Girls' Stunt Party brightened the calendar on October 30, 1936, and will be remembered as one of the most successful ever held.

Mary Louise Johnson, Girls' League president, headed the Central Committee with Barbara Tesche as her assistant. Two faculty members, Mrs. Moyse and Miss Manetta, lent their assistance to this group.

A clever stunt directed by Rosemary Kauffman captured first prize for the Seniors—the theme being that of a "Wishing Well." The Junior Stunt, headed by Jeanne Franklin, presented an entertaining skit in form of a "Radio Program." The Sophomores, organized by Harriet Padgett, put forth their efforts on a clever interpretation of "Little Red Riding Hood." The faculty stunt, always good—but this year unusually entertaining, used the theme of "An Old Fashioned Calisthenics Class."

The audience enjoyed the Curtain Acts with the singing of Rosemary Bowman and of the trio of Katherine Van den Berg, Betty Tingle, and Betty Jane Uncles. An amusing Dutch dance was presented by Arla Delle Smith and Betsy Mansfield.

At the close of the program, the audience adjourned to the Girls' Gymnasium where dancing was enjoyed to the music of Bill Wood and his orchestra. Berri Woolacott,

SCHOOL PLAY

"The Purple Mask," a romantic comedy in five acts, was presented by the Glendale High School students under the direction of Miss Marian L. Underwood, on May 27 and 28 in the auditorium.

Jeanne Barnum was student director in charge, and also assisted Phyllis Searle with the costumes.

The play is laid in France about 1803 during the Royalist conspiracy against the government.

VARIETY SHOW

"Swingtime" was the lively theme of the Annual Variety Show of 1937, held March 11th and 12th in the Glendale High auditorium.

Act I was presented by the R.O.T.C. featuring a drill team commanded by Lieut. Gene York.

Alex Forestall and Bill Anderson, Muriel Poggi and Dorothy McFarland participated in Act II, a curtain act.

Act III, "Chonita," a gypsy operetta, was given by the combined Glee Clubs and Voice class under the direction of Zula M. Zeigler and Florence E. Parker.

Act IV, a curtain act, featured a tap dance by Dorothy Lee Core, and a solo by Marjorie Cawthorn.

Act V, the Girls' League Act, was "Swingtime In Toyland," directed by Barbara Lee Hawley, president of the Girls' League.

Act VI—"Ballet Stratospheric"—a ballet designed to accent dimension in form, space, and time. Presented in patterns and shadows by a group of dancers. Bill Marshall was the student director and designer, Miss Jean Abel, faculty advisor.

Act VII, curtain act, was presented by Elmer Champion, cowboy yodeler, and Lois Bell, tap dancer.

Act VIII—"Melodies from Spain"—was a piano duo by Betty Selby and Carol Lou Haddock.

Act IX—"A Market Scene in Martinique"—presented by the French Department under the direction of Miss Dorothy Gilson.

Act X featured a solo by Ray Greenwalt, a reading by Gertrude Heuer, and a bolero by Lee Duncan.

Act XI—A one-act play, "Red Carnations"—was presented by the Drama Department, directed by Marion L. Underwood. The parts were taken by Bill Salt, R. C. Franklin, and Phyllis Frame.

Miss Esther Crandall was Technical Director of the Variety Show and was assisted by Ted Green, Stage Manager, Margaret White, Electrician, and the other members of the stage crew.

CHRISTMAS TABLEAUX

Glendale High's annual Christmas program presented a colorful pageant of the shepherds in the fields on the holy night while watching over their flocks; the descent of the angels from heaven to the lowly manger; the three kings who followed the star in the East. And finally the awe-inspiring scene of Christ in the small manger and the Virgin Mary singing softly to this new born king.

The music on the program was arranged and directed by Miss Zula Zeigler and Mrs. Florence Parker. Miss Esther Crandall designed and made the costumes and scenery.

THE SENIOR PLAY

The Senior Class of 1937 presented The Late Christopher Bean, by Sidney Howard, under the direction of Marion L. Underwood. Miss Esther Crandall was technical director and assisted by Ted Green, stage manager. Student directors of the performance were Barbara Lee Bellah and Jeanne Barnum.

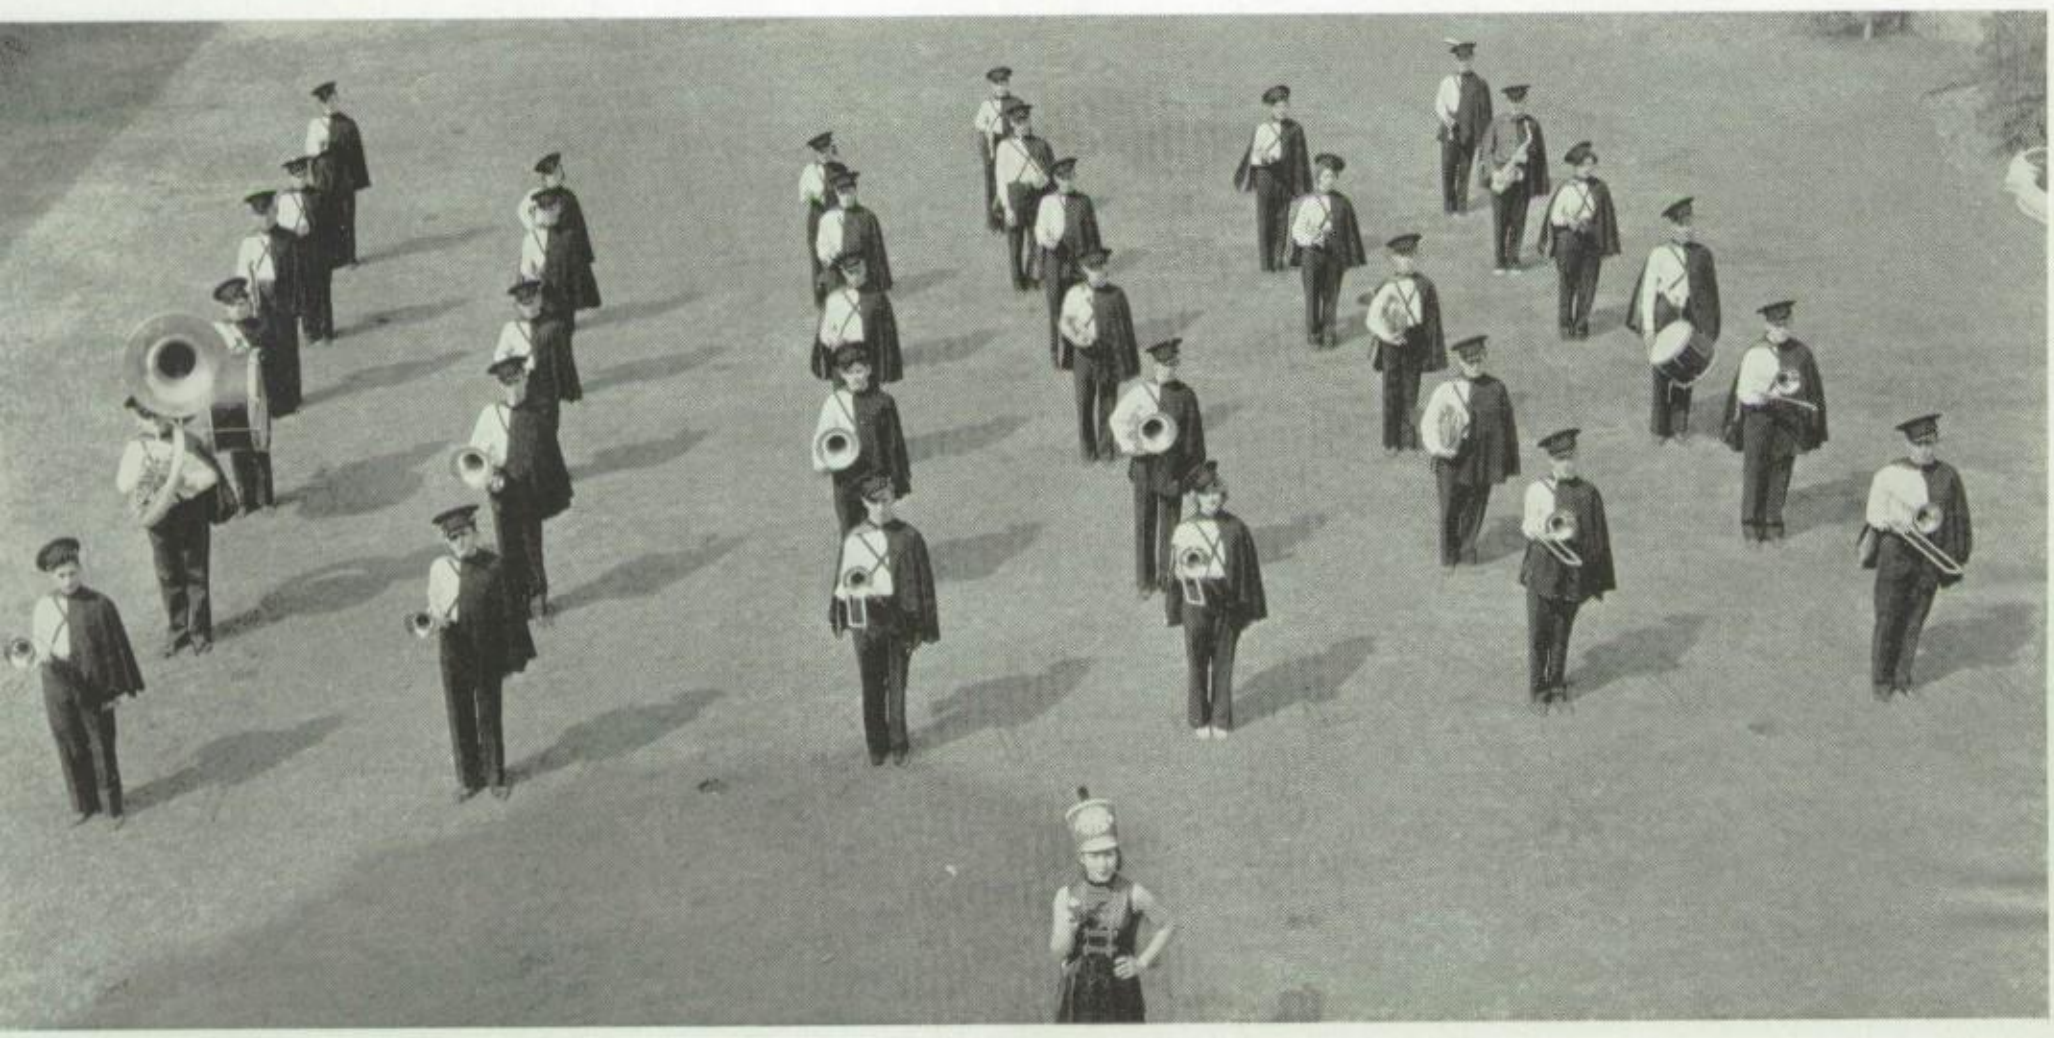
French Horn. Franklin Goshorn.

Trumpets. Harry Clewley, Earl Jacobs, Charles Webb, Florence Haskell, Charles Sickenger, Charles Taylor.

Trombones. George Helms, John Koehnle, Lon Massey, Jim Wilson.

Percussion. Stanley Griffin, Vurl Baker.

Piano and Organ. Barbara Brown, Mabel Gunnerson, Wylie Eaton.



GLENDALE HIGH SCHOOL BAND

Headed by perky Molly Johnston, the Glendale High School Band marched through a hugely successful season. The band, now composed of fifty members, is growing steadily every year and, as a result of instruction in instrument training, is reported to be the best since 1932.

On Armistice night the band appeared in their new red and black uniforms which were purchased from student body funds. The occasion was the annual Glendale-Hoover football game at the Pasadena Rose Bowl.

Under the able direction of Mr. Harry Anderson, remarkable progress has been made. Appearances have been made at the Rose Bowl, all school pep assemblies, at the Parent-Teacher Convention, a Boy Scout conclave, the opening of Christmas Tree Lane, and on many other important occasions.

Director - - H. W. ANDERSON
Drum Major - MOLLY JOHNSTON

Trumpets: Marian Bailey, Emmie Sue Davey, Robert Bedford, Harry Clewley, Earl Jacobs, William Swain, Don Harrison, Roger Zierenberg, Walter Brunner, Joe Hester, Robert Stillman, Maurice Gillies, Eddy Custer, Don Israel, Melvin Harrel, Rueben Selstad.

Saxophones: John Perkins, Ben Tingle, James Andrews.
French Horns: Donald Van, Franklyn Goshorn.
Trombones: Dean Daniels, Joyce Bullock, Jack Yates, Howard Butterfield, Darrel Bartelme, Lon Massey, Guy Holloway, Henry Helfrick, John Koehnle, Jim Wilson.
Drums: Stanley Griffin, Harold Freeman, Calvin Knecht, Bill Huebner.

VERSE BOOK-FOUR ARTS

The Scribblers' Club, one of the oldest in the school, has been sponsored by Miss Frances Hall since 1930. It was organized by Mrs. Ruth Sherin.

The Four Arts Program presented annually by the Club is one of its four objectives. This event, one of the unique traditions of our school, is an incentive to the expression of student creative ability in drama, poetry, stories, essays, music, choreography, and other arts.

To stimulate quality of literary effort is a second goal. This is accomplished through the competitive submission of manuscripts upon which club membership is based. A waiting list proves this service.

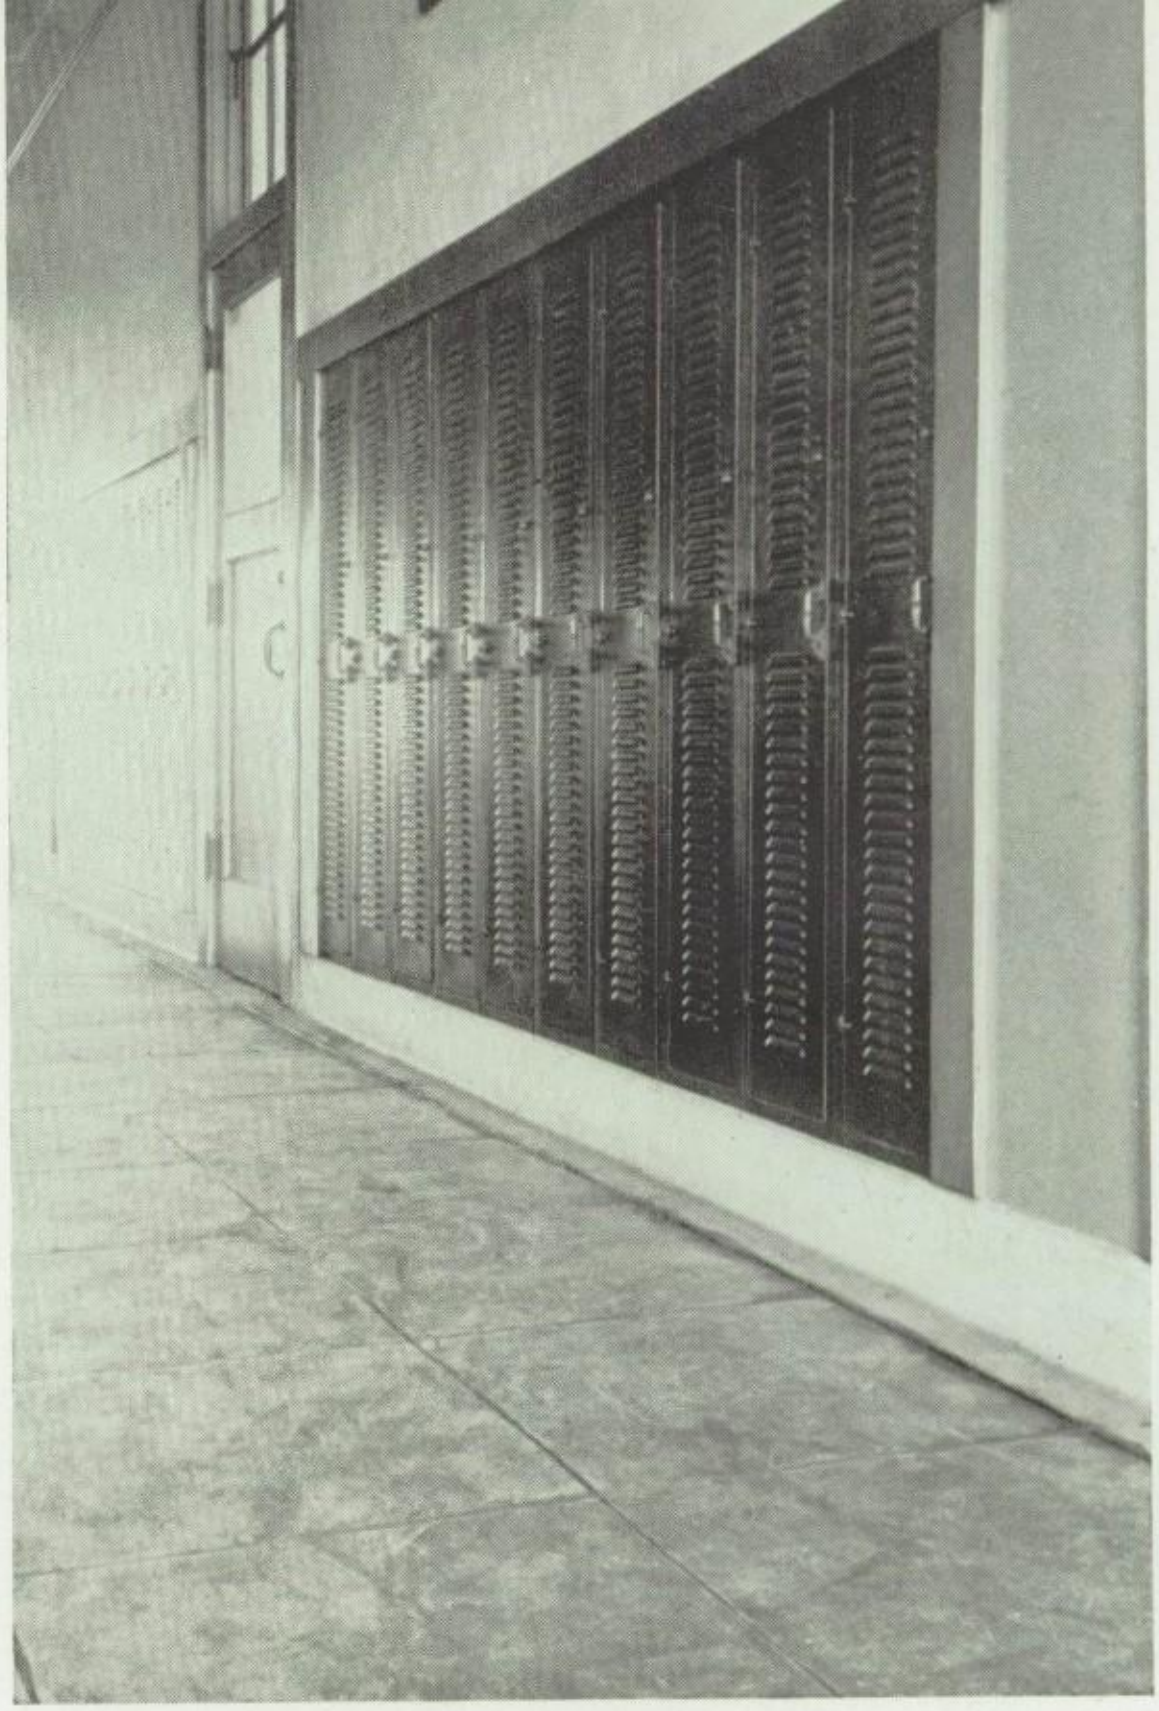
Quantity along with quality is our third aim. Our membership is limited to twenty-five. In that way we obtain the cream of the best writing ability in Glendale High School. With a small group each member produces more. Close criticism can more easily be made before the work is sent to publishers for acceptance.

Our fourth, but not least objective, is to edit the Verse Book, a publication for which any student may submit his work. The illustrations are produced by the Art Department, while the Verse Book itself is put out by the Printing Class. Thus, in this one publication recognition is offered tc poets, artists, and printers. An outstanding feature of the Verse Book for 1937 is the photographic illustrations taken and developed by the Ciné Club.

While the Scribblers' Club is primarily a literary organization, we encourage creative ability in other fields through our publications and programs.

None of these four purposes which we try hard to fulfill could be accomplished without the guidance and encouragement of our popular sponsor, herself an author, Miss Frances Hall.

BARBARA L. GREENWOOD
President of Scribblers' Club
Spring of 1937



COMPARISON

Small, hesitant steps, clicking doubtfully along the halls,
Quick, thoughtful steps, losing themselves in the echoes,
Skylight after skylight,
Slamming doors far off,
The sweep, swush, shleep of the janitor's brush,
An empty school.

Quick, joyful steps, dashing madly through the crowd,
Firm, strolling steps, gaily mingling with a friend's,
Smiling eyes twinkling,
Brightest smiles grinning,
The tinkle, bellow, guffaw of the children's laughs.
The friendliest spot on earth:
A crowded school.

LOWER CLASSES

During the past semester the junior and sophomore classes have been engaged in many student activities.

Several outstanding events have been included in the junior class program. Outstanding among these was the Junior Prom which, with its Maytime theme and appropriate setting, was climaxed by the crowning of the Prom Queen.

Representatives of the junior class took active part in the annual oratorical contest. They have been outstanding in sports, drama, art, and all student acitvities.

Although the sophomores are comparatively new to the school traditons, the class promises to be one whose records will surpass those of preceding classes.

They had excellent participaiton in the oraotrical contest, have furnished coming leaders in several fields, contributed well toward athleitc material, and will in the next two years lead Glendale High School.

TO THE GRADUATES

"Difficult or not, revolutionary or stable, unspeakably ugly as it is in spots, unbearably unjust as it often is, and with pain not always to be avoided, this world is a fantastically interesting place, full of beauty, touched with nobility, flashing with the loveliest sights, trembling with the loveliest sounds, dotted with libraries full of wit, with art galleries full of magic, and all more available to you than ever before, if only you have eyes to see and ears to hear and a mind to attend."

This quotation from a recent article addressed to graduates gives in a nutshell the message that I would like to give to you, Summer Graduates of Glendale High.

The school cannot educate you, and, of course, no one is ever fully educated. But if school has helped to make you good consumers so that you enjoy the really fine things of life, and shun the shoddy, the cheap and the second-rate, you have a very good foundation upon which to continue your further education.

Sometimes we are apt to shift responsibility from our shoulders on the plea that we are just ordinary people, not very brilliant, and so life cannot expect much of us. But as the author whom I have quoted above emphasizes, the kind of world we live in is determined by what we, the majority, admire, cherish, and esteem. No matter how great the music may be that the gifted compose, how fine the books that they may write, or how noble the pictures they paint, they will have practically no effect on civilization unless the great majority of us prize and cherish these creative masterpieces.

So my word to you, as you leave us, would be the hope that you will, in your lives as consumers of the things of the world, show a discriminating appreciation of those things which are fine, and true, and so stimulate those who can create to give us of their best.

Your friend

GEORGE MOYSE, Principal

Dr. Norman R. Whytock

Superintendent

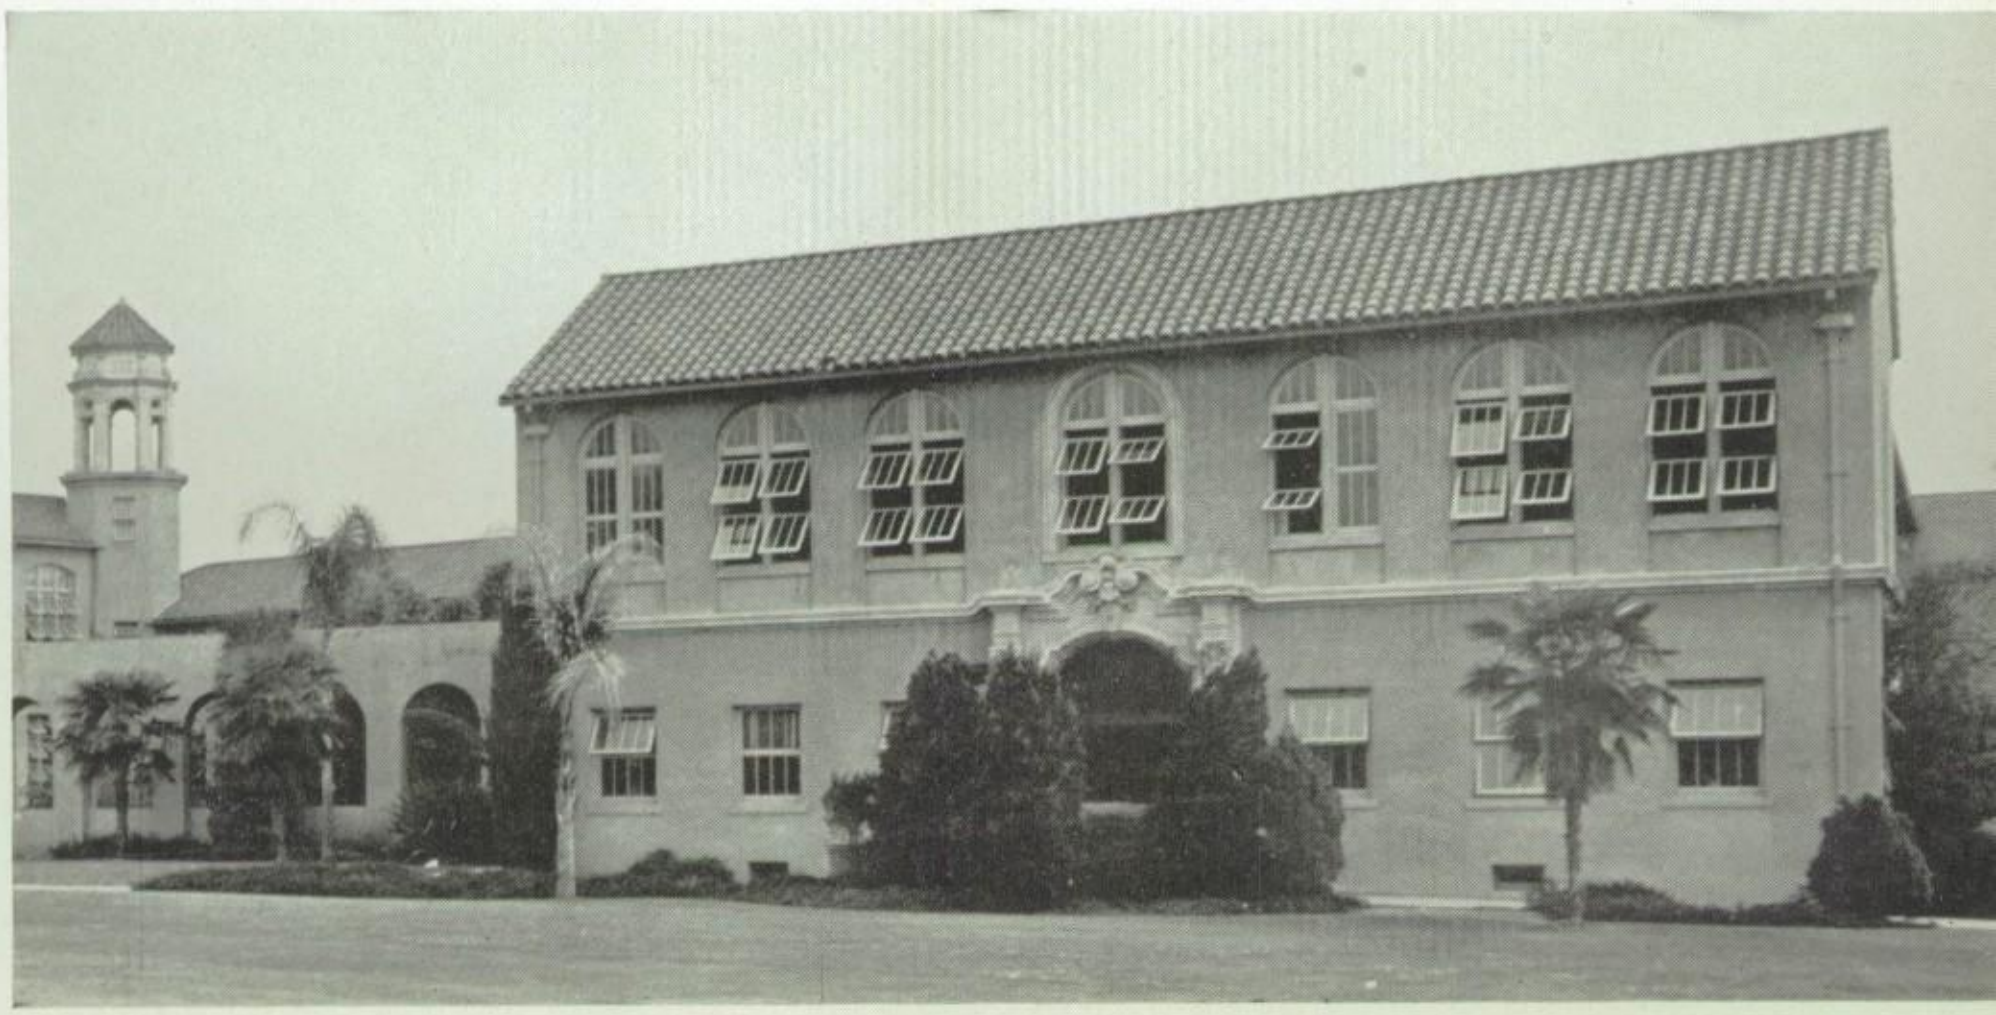
Book Six . . . . . The School Life

Roger:
Best wishes kid.
I hope you get the
best of everything in
life, you deserve it.
Well, be good Roger

David Mc Farland
"Mac"

DEDICATION

For her teaching ability as exemplified by the work of her pupils, for her ability as a master of stagecraft, for her excellent handling of all events staged in our auditorium, for her artistic ability as a designer of tableaux, and, finally, because her fine contribution has been so largely behind the curtain rather than before it, the staff of the 1937 *Stylus* dedicate their book to Miss Esther Crandall.



FOREWORD TO THE 1937 STYLUS

THOSE WHO STOP to realize the amount of work demanded in the publication of a book of this type, which, as near as possible, must suit the wishes of the purchasers, are perhaps fewer in number than those who will read this meager attempt at the writing of a foreword.

In making this book a tangible thing, the staff has tried to make it up-to-date with as many modern publication improvements as the capital at hand permitted.

While it is a fact that the editor is the gainer of what prestige there is in editing the year-book, it is even more true that the staff does a greater portion of the work. Another who has done more than his share of work, not to mention the worrying which is bound to accompany the formulation of the book, is our faculty adviser, Mr. Lawrence M. Smith, a friend indeed for a friend in need. He has done a great job in advising the editing of both the *Explosion* and the *Stylus,* and should be lauded by all who have so graciously helped in making this, 1937, *Stylus'* greatest year.

DAVID R. HOWTON, Editor.
